Blackheath suffers from traffic jams. Our Clubhouse is in a private estate and restrictions apply to prevent 'rat-running'

From A20 - going west Turn **right** into **Lee Road** then **right** into **Manor Way**, and **left** into **Brooklands Park**. Pass Brookway. B&G club is on the left.

Manor way is a private gated road - which is closed alternate months. **When Manor way is closed** you should be able to **use the next road on the right - Priory Park**, **left** at **Parkgate**, **right** at **Meadowbank**, **left** then **right** into **Blackheath** then **right** to **Brooklands Park**.

Blackheath Park (Second on right after Manor Way) is a gated private road but is not closed - a bit further but if in doubt go that way then 2nd right into Brooklands Park.

From A20 - going east Turn at left Lee Road. Then follow instructions as from A20 going west.

Park alongside the fence outside our club (or as near as possible). **Avoid a parking penalty by displaying a B&G parking permit - available from the dispenser just through the gate. You should write the date on it.**
